Good morning John,

DC Bell has asked that you review the attached list to ensure it is complete and prioritize by role of importance. The office of the Prime Minister, Premier and Mayor will then be provided the list to be used should they decide to engage in conversation with the convoy representatives. We want to be sure to provide them with the most accurate and useful information possible.

Let me know if you have any questions. We are aiming to send the list this morning at 10am (the Chief has a meeting at 11am with the various levels of govt).

Thanks Christiane
